VCE RESULTS

A leader in girls' education for more than 127 years, Korowa is renowned for its academic excellence. Our VCE results place us among the top 10 schools in Victoria.

Korowa's emphasis on a well-rounded education means that students with a broad range of abilities and interests excel. Korowa graduates continue to university level to study across a broad range of fields, including medicine, law, business, science, engineering, art and design, and more.

Congratulations to our three duces, Ann Liang, Karla Murphy and Jessica Zhong who each achieved an outstanding 99.70 ATAR.
