Dux

Phoebe Bear
99.90

We congratulate Phoebe Bear, our Dux for 2018. Phoebe received an outstanding ATAR of 99.90. Phoebe has been an exemplary student of Korowa since commencing in Year 5 in 2011. She has been the epitome of a genuine life-long learner and loves a challenge. Phoebe performed extremely well in History Revolutions as a Year 11 student. In Year 12, Phoebe earned a perfect study score in English, and was the top achiever in Specialist Maths and Physics. Phoebe shared her enthusiasm and love for her House as the Akehurst House Captain in 2018. She also participated in water polo, hockey, soccer and debating. Phoebe was the recipient of the Roslyn Otzen Colours Award and an Academic Award this year. She never gives up in her pursuits to achieve excellence; she is an independent thinker, but always makes time to assist others. We wish her every success and happiness and shall follow her progress with great interest and pride.

Dux

Connie Zhang
99.90

It is with great pleasure that we acknowledge Connie Zhang as Dux for 2018. Connie has approached her studies with enthusiasm, determination and diligence. She has received a number of Academic Awards and since Year 9 has participated in Debating, earning Colours in 2016 – 2018. Connie received the Diana Millar Humanities Prize this year, and led her cohort as House Chorals Chairwoman. Connie's leadership has been strengthened by her optimism, charitable nature and consistent encouragement of her peers. Connie's Teachers noted her humble nature and describe her as hard-working, kind, polite, reliable and generous towards others. In 2017, Connie participated in the French Exchange Program, demonstrating resilience, maturity and a flexibility. During her final year at Korowa, Connie excelled in her studies alongside tennis, choir, debating and participating in the Environment and Palm Leaf magazine committees. Connie clearly has the self-discipline to succeed in whatever projects she undertakes and we look forward to her bright future.
