

Child Protection and Safety Policy June 2017

Korowa has developed the following Child Protection and Safety Policy. This policy is an overarching document that provides key elements of our approach to protecting children from abuse. It is designed to be communicated through our public website as well as through other mediums such as newsletters and in induction and welcome packs for School Council members, staff, contractors, External Education Providers and volunteers.

Our Child Protection and Safety Policy

Statement of Commitment to Child Safety

Child abuse includes sexual offences, grooming, physical violence, serious emotional or psychological harm, serious neglect and a child's exposure to family violence.

Korowa is committed to the protection of all children from all forms of child abuse and demonstrates this commitment through the implementation of a comprehensive Child Protection Program designed to keep children safe.

At Korowa we have a zero tolerance for child abuse and are committed to acting in children's best interests and keeping them safe from harm. The School regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintain a child safe culture.

Child Safe Principles

The School's commitment to child safety is based on the following overarching principles that guide the development and regular review of our work systems, practices, policies and procedures to protect children from abuse.

1. All children have the right to be safe.
2. The welfare and best interests of the child are paramount.
3. The views of the child and a child's privacy must be respected.
4. Clear expectations for appropriate behaviour with children are established in our Child Safety Code of Conduct and Staff and Student Professional Boundaries Policy.
5. The safety of children is dependent upon the existence of a child safe culture.
6. Child safety awareness is promoted and openly discussed within our School community.
7. Procedures are in place to screen all staff, Direct Contact Volunteers*, third party contractors and external education providers who have direct contact with children.

8. Child safety and protection is everyone's responsibility
9. Child protection training is mandatory for all School Council members, staff and Direct Contact Volunteers.
10. Procedures for responding to alleged or suspected incidents of child abuse are simple and accessible for all members of the School community.
11. Children from culturally or linguistically diverse backgrounds have the right to special care and support including those who identify as Aboriginal or Torres Strait Islander.
12. Children who have any kind of disability have the right to special care and support.

**Direct Contact Volunteers are those volunteers that are involved in providing support, guidance and supervision directly to students and could potentially have direct contact with students during the normal course of providing the volunteer service.*
