

After School Drama Club 2021

Year 3 and 4

After School Drama Club provides a great range of different drama games and activities, which aim to improve students' confidence, communication and presentation skills, group interaction skills, improvisation skills, and imagination. These skills have real life applications for everyone – confidence in public speaking, interpersonal communication and creativity in problem solving. These are taught in a supportive environment using role-play, storytelling, characterisation, voice techniques, stage craft techniques, and scripts.
