

## Child Safe Standards at Korowa Anglican Girls' School

### 2021 External Provider Declaration

---

Korowa Anglican Girls' School is a Child Safe School. We have a zero tolerance stance on child abuse and are committed to the protection of all children from all forms of abuse.

We are clear about our behavioural expectations of every person in our community.

We have developed a Child Safe Policy and Child Safe Code of Conduct\* that detail our comprehensive approach to protecting children from abuse. It provides a high-level statement of professional boundaries and ethical behaviour, as well as acceptable and unacceptable relationships.
