BUSINESS REGULATIONS

Application for Admission

An Application for Admission form must be completed for each student and forwarded to the Director of Enrolments together with a non-refundable fee of \$150 per student (up to a maximum of \$300 per family for multiple applications at the same time).

Admission

Offers of enrolment are subject to an interview with the Principal or delegate. Offers of enrolment will be made in writing and require acceptance through the completion of a Enrolment Agreement form and payment of a non-refundable Enrolment Fee of \$1,400 within the period specified.

Enrolment

The Responsible Parties agree to comply with, and will require their child to comply with, the School's policies, rules and procedures (as introduced, existing or amended from time to time) including those relating to: the care, safety and welfare of students; standards of dress, uniform and appearance; equal opportunity and anti-discrimination; grievances or complaints; student behaviour and conduct; parent behaviour and conduct; use of information, communication and technology systems; and discipline of students.

If a student's progress is such that, in the opinion of the Principal, she is not benefiting from the courses and programs provided by the School, the Responsible Parties may be advised to withdraw the student from the School or the Principal may cancel her enrolment.

The School may cancel a student's enrolment on grounds of unsatisfactory conduct, for failure to obey the policies or rules of the School or for any other reason considered by the Principal to be appropriate (including if the Principal considers that a mutually beneficial relationship of trust and cooperation between the Responsible Parties and the School or any of its staff has broken down such that it adversely impacts on the ability of the School to provide a meaningful education to the student).

Where a student commences during the course of a Term, the tuition costs only will be prorated based on the number of weeks remaining in the Term.

Scholarships

It is an expectation that successful candidates will participate fully in school life and commit to the School through to the end of Year 12.

Scholarships are tenable up to and including Year 12 and are open to prospective and current students. All scholarships are offered at the Principal's discretion. In addition to the application and enrolment fees, the School requires a holding fee of \$2500 per scholarship place for new students. This fee will be credited against Term 2 tuition fees in the year of entry. Should the student not take up the place, the application, enrolment and holding fees are non-refundable.

Please note, should the Principal offer your child a scholarship, acceptance of the scholarship is required within two business days of the offer together with full payment of the application fee, enrolment fee and holding fee.

Should the student withdraw from Korowa for any reason prior to the completion of Year 12, including as a result of any decision of her parents/guardians or by reason of Korowa cancelling the student's enrolment due to a significant breach of School policy or policies, you will be required to repay the Scholarship fee remission received in respect of her enrolment up to her last day of enrolment.

Holding Deposits

The School requires a holding deposit of \$2,500 per confirmed enrolment, excluding those awarded a scholarship, please refer to the Scholarship Terms & Conditions. The deposit will be charged on March 1 in the year preceding commencement, if the enrolment is confirmed after this date the holding deposit will be payable within the period specified in the confirmation of enrolment form. The \$2,500 holding deposit will be credited in full against Term 2 tuition fees in the year of entry. Should the student not take up the place, the holding deposit is non-refundable and non-transferable.

Fees and Charges

The net tuition fee and the consolidated fee are charged one full term in advance please refer to fee schedule for payment dates and payment methods.

The consolidated fee covers all compulsory costs associated with the School curriculum. The fee includes mandatory school camps, excursions, incursions, materials, medical centre attendance and student insurances. Parents will be advised of any additional charges for programs outside of the mandatory camps and programs such as private music tuition, exchange programs, social learning programs etc not covered in the consolidated fee on an approval basis.

The cost of the school diary will be added to the school fees account for all new students.

The School may from time to time and in its sole discretion vary and increase its fees and charges (including tuition and consolidated fees, the Technology Support Levy and VCE subject charges) and the times at which these fees and charges are rendered.

A proportion of funds raised or fees collected by the school may be used to support the operation of the Korowa Early Learning Centre.

Technology Support Levy

An annual Technology Support Levy will be applied to the Term 1 fee account for each year level. This levy supports our IT infrastructure, helping us stay up-to-date with technology, educational tools, software licenses, and internet enhancements. For students in Prep to Year 4, this levy includes the use of an iPad at school.

Students in Years 5 through 12 must have a laptop for classroom use. You can purchase this either based on our recommended specifications or through our preferred technology provider. Opting for our provider comes with benefits such as onsite hardware and software assistance. Bringing a device outside our recommended program incurs a \$200 set-up fee (per device). The school only provide support for school-licensed software. Parents are responsible for insurance and any needed repairs due to hardware issues. For more about student device guidelines, visit the school website.

VCE Subject Charges

Additional VCE subject charges apply for highly specialised subjects with identifiable direct costs. These may include Visual Communication Design, Art Making and Exhibiting and Media Studies. These charges are billed in Term 3 of the billing cycle.

Fees Paid in Advance

A discount of 2% is applicable on a full year's net tuition fees paid in advance by the due date for Term 1 (November of prior year). Parents wishing to pay in this manner should contact the Business Office for details.

Family Discount

Discount of 10% on the tuition fee is allowed for the second sibling. For third or subsequent siblings, the discount is 25%. This does not apply where the second or subsequent sibling is on a

scholarship or bursary. The sibling must be attending the School at the same time. Only one discount or concession, other than a discount for payment in advance, may be held by a student and the greater discount will apply.

Overdue Fees

Parents may contact the Director of Business and enter into a written agreement for the payment of any late fees.

The amount outstanding on any school account after the due date for payment will accrue interest from the due date until it is paid at the rate for the time being fixed under section 2 of the Penalty Interest Rates Act 1983 (Vic).

Students will not be permitted to attend Korowa Anglican Girls' School or to undertake any optional co-curricular school activities or be able to attend trips, study tours or student exchanges whilst the school account in relation to that student or any sibling is in arrears.

The School reserves the right to suspend or cancel the enrolment of a student from the commencement of the following school term if the school account in relation to that student or any sibling is in arrears. A student may not commence a new school year while the school account in relation to that student or any sibling is in arrears. Any enforcement expenses (including legal fees) incurred by the School in the collection process for outstanding accounts will be passed on to, and be payable by the Responsible Parties.

Withdrawal of a Student

A full term's notice in writing must be given by the Responsible Parties to the Principal prior to the student leaving the School. Such notice must be delivered on or before the first day of the student's last term, otherwise a term's fee may be charged in lieu. If a student leaves during a term without the appropriate notice no refund will be made for the remaining portion of the term.

Student Absence

For all extended absences the Principal should be notified in writing as soon as the family is aware that the absence will occur. No reduction can be made on account of absence of less than one full term, or less than ten school weeks, as the expenses incurred in maintaining the efficiency of the school are not lessened by the temporary absence of individual student or students. If a student is

absent for an extended period of time, a 10% holding fee of the full Term's tuition fees will be charged in lieu of the tuition fee for absences of one full term or more, subject to the discretion of the Principal.

Payment Methods

Payment methods accepted by the School are cheque, BPay, EFTPOS for all debit cards and credit cards. The following cards will attract a surcharge: MasterCard and Visa (1.09%); American Express (0.96%).

Instalment Plans

You can arrange to pay your fees via one of the following instalment plans:

- Ten (10) monthly instalments commencing in November of the prior year of enrolment.
- Four (4) termly instalments commencing in November of the prior year of enrolment with each subsequent instalment due at the beginning of the preceding school term.

These options are only available by direct debit to one nominated bank account or credit card and are only available if all the required direct debit authorities are returned to the School. Unless advised to the contrary by the Responsible Parties, the direct debit will remain in place and will be amended in November of each year to reflect any change to fee levels set by the School Council. The Responsible Parties will be notified of any such change. Please contact the Business Office on (03) 8808 8805 as all such arrangements need to be confirmed in writing.

An administration fee of \$50 will be applied if the instalment is dishonoured. Three dishonours during the term of the monthly instalment agreement will void the agreement and the outstanding balance will become immediately due and payable.

Voluntary Donations

To enable parents to contribute to the Korowa Scholarship Fund or the Korowa Building Fund, a voluntary donation will be added to each Fee Billing Statement. Donations to both the Korowa Scholarship Fund \$250 and the Korowa Building Fund \$225 are tax deductible.

Acceptance of Business Regulations

The person or persons signing the Enrolment Agreement document (the Responsible Parties) are liable (and jointly and severally liable if more than one) for all fees and charges payable to the School. This agreement applies regardless of any changes in the relationship between co-signatories, any child support arrangements or any private

agreement with a third party regarding payment of fees. In the absence of an agreement with the School in writing signed by all Responsible Parties to the contrary, invoicing will remain with the Responsible Parties.
